Thank you in advance for your voluntary participation in the charity bounty fishing program.

To simplify donating to CRA approved charities, we suggest using Canada Helps, where Canadians can choose from over 86,000 legally registered charities.
See: https://www.canadahelps.org/en/

Alternatively, you can donate to any charity of your choosing, or even give any amount to anyone that needs it.

The following table of suggested donations is based on our catches during Q2 2026. Feel free to donate the total, or any other amount of your choice.
